Create a New Account by Selecting Legal Entity

The screenshot shows the Salesforce Lightning interface. The top navigation bar includes tabs for Home, Chatter, Accounts, Contacts, Call Lists, Job Leads, Jobs, and More. A search bar is at the top right. The main content area is titled "New Account". A sidebar on the left lists "12 item" and numbered items 1 through 6. The main form has a section titled "Select a record type" with four options: Sales Entity, Branch, Candidate Company, and Legal Entity, with "Legal Entity" selected. Below this is a table listing 10 accounts with columns for Name, Address, City, State, Country, Industry, Status, and Created Date. The last account listed is "Legalaccpgatemuko1". At the bottom right of the form are "Cancel" and "Next" buttons, with "Next" being highlighted.

Provide a business Name and press on create New button

The screenshot shows the Salesforce Lightning interface. The top navigation bar includes tabs for Home, Chatter, Accounts, Contacts, Call Lists, Job Leads, Jobs, and More. A search bar is at the top right. The main content area is titled "Add Account". On the left, there is a "Search" sidebar with tabs for "Search" (which is selected) and "Create New". It includes filters for "Business Name" (set to "trial2"), "D-U-N-S Number", "Company URL" (set to "e.g., http://google.com"), and "Business Registration Number". The main panel displays a section titled "D&B Optimizer Matching Records (0)" with a message: "Adjust your search criteria by changing values on the left, then search again. You can also create a new account." Below this is a table with columns: Business Name, D-U-N-S, Company URL, Primary Address, Industry, Employees, Sales USD, Marketable, and Location Type. A message "No records found." is displayed. A loading icon is shown in the center of the main panel. At the bottom right are "Cancel" and "Create" buttons, with "Create" being highlighted.
